#### Description:

The premises comprise four former terraced properties, which have been recently refurbished externally to a very high standard under the New Deal for Communities refurbishment programme. The property has been completely re-floored to the ground and first floor, and requires further internal works to enable occupation.

The New Deal for Communities programme has actively sought to safeguard and upgrade the shopping areas in the vicinity of the premises. The vision for the area has resulted in the improvement of the structure, design and quality of the business premises in the retail clusters on Ashton Road.
